About Marine Insurance Day

The Marine Insurance Day Seminar is a collaborative effort of the American Institute of Marine Underwriters (AIMU), American Marine Insurance Forum (AMIF), Association of Average Adjusters of the U.S., Inland Marine Underwriters Association (IMUA), and Marine and Insurance Claims Association (MICA). It is through our joint efforts that we can provide an excellent educational program on a wide range of topical issues facing the ocean marine industry.

This is the tenth annual Marine Insurance Day Seminar and it is the hope that this event will continue to grow each year and provide marine-focused education and professional development both for those present today and the generation that follows.

Frank Costa
President
Berkley Offshore Underwriting Managers, LLC
Chairman, AIMU

This seminar is approved for 5 CE credits (Licenses eligible for credits: PC, BR, C3, PA) in Connecticut, New York, Philadelphia and New Jersey; 2.5 CE credits in TX, and 5 CPD points for CPCU and NAMS.
